Extra Mile Services Since 1949

More than office products!

***We put ink on paper
and that's not all!***

Advertising Specialties - Coffee mugs, pens and other promotional items promote your business.

Announcements - An elegant way to communicate important information to your customers.

Banners - Full-color vinyl banners offer a durable high-impact message that can be used inside or outside.

Big Color Posters - Get big results for your next big event or new product launch.

Black & White Copies - Tired of fighting with your office copier? Bring your copy jobs to us and save on your headaches!

Booklets - Give your customers pricing and product booklets they will use every day! We will design and print your marketing message

Brochures & Flyers - Let us help you get your message out to the masses!

Calendars - Keep your business in front of your customers every day!

Carbonless Forms - Streamline your workflow with custom invoices, packing slips, receipts, service contracts, etc.

Custom Checks - Security Laser compatible with latest fraud protection.

Color Copies - If you need runs of 500 or less, short-run digital color printing can save you time and money.

Custom Printing - Our printing capabilities are endless and your imagination is limitless. We can print and design your next special project.

Door Hangers -

Catch a prospect's eye in a unique way with imaginative, custom door hangers.

Folded Cards, Memos & Notepads - Personalized handouts allow you to correspond with prospects, peers and customers.

Index Tabs - Customize your organizing efforts with personalized index tabs.

Labels - Creatively market your messaging on labels of any size.

Newsletters - Connect with customers and prospects with a regular newsletter.

Office Stationery - Your business cards, letterheads and envelopes will keep your image front and center.

Pocket Folders - Look professional and prepared with our custom presentation folders.

Postcards - Their compact size is an inexpensive and perfect medium to introduce new products or important news.

Programs - Give your next event the professional look it deserves with high-quality programs.

Rack Cards - These narrow wonders are a marketing machine and are incredibly tempting for customers to grab and go!

Rubber Stamps - Perfect for stamping large quantities of documents, you will use them every day.

Sell Sheets - Send your customers information they'll need to make the right decision.

Table Tents - Want to market your new products anywhere people gather? Let us help you design and print the perfect table tent for your next event!
