ONCE ON PLAZA PLACE

- After turning at the Hardee's on Plaza Place, you will see a short, red brick building on the left, it will have two driveways
- After this building, you will see a third drive with an orange brick sign with white letters that says "One Crosspointe Plaza." There is a flower garden surrounding this sign. Turn left here, our building will be facing you: it is a three-story curvy brick and glass building.
- Parking is on the right once you turn on our driveway
- Our offices will be immediately facing you upon entry to the building

The building's security system locks the building after 6:30 pm. If the door is locked, there is an L&E Research "buzzer" on the wall to your left. Press it and one of our Hostesses will immediately let you in.
