Independent Auditors' Report

Board of Directors
Lowcountry Food Bank, Inc.
Charleston, South Carolina

Report on the Financial Statements

We have audited the accompanying financial statements of Lowcountry Food Bank, Inc. which comprise the statements of financial position as of December 31, 2015 and 2014 and the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lowcountry Food Bank, Inc. as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by the Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Governmental Auditing Standards

In accordance with *Government Auditing Standards*, we have also included our report dated June 14, 2016 on our consideration of Lowcountry Food Bank, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Lowcountry Food Bank, Inc.'s internal control over financial reporting and compliance.

Notes to Financial Statements

1. Summary of Significant Accounting Policies

Nature of Activities

Lowcountry Food Bank, Inc. (the "Organization"), a non-profit organization, was incorporated in August 1983. Located in Charleston, Myrtle Beach and Yemassee, South Carolina, the Organization's purpose is food storage and distribution. The mission of the Organization is to gather, store, and distribute food through a network of non-profit agencies, to provide services through a variety of programs, to feed the needy in ten coastal counties of South Carolina, and to serve as an educational resource for hunger and hunger-related issues. The Organization serves as a collecting center for surplus and salvageable food obtained through donations from processors, wholesalers, retailers, and brokers. The food is then distributed to qualifying agencies. The Organization charges a fee called shared maintenance revenue to the agencies and churches benefited in order to recover a portion of the costs associated with food collection.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of results of operations during the reporting period. Actual results could differ from those estimates and assumptions.

Basis of Presentation

The Organization's statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification. The Organization is required to report information regarding its financial position and activities according to three classes of net assets. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or the passage of time.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the use of all or part of the income earned on related investments for general or specific purposes.

Donor-restricted support received is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restriction. The Organization had no permanently restricted net assets at December 31, 2015 and 2014.

Cash and Cash Equivalents

Cash and cash equivalents include all highly liquid investments with original maturities of three months or less.

Lowcountry Food Bank, Inc.
Notes to Financial Statements

Accounts and Grants Receivable and Allowance for Doubtful Accounts

Accounts receivable consist primarily of agency maintenance fees for distributed food. Grants receivable consist primarily of amounts due from government agencies. As of December 31, 2015 and 2014, the Organization considers all receivables to be fully collectible; accordingly, no allowance for doubtful accounts has been established.

Inventory and Donated Food Products

The Organization receives food products governed by the United States Department of Agriculture (USDA) primarily through the USDA's state disbursing agent, the South Carolina Department of Social Services. The food products received through USDA programs are valued using prices determined by the USDA. Other donated food products reflected in the financial statements are valued at a rate per pound, which is determined by management based on the rate per pound provided by Feeding America, the Organization's national affiliate. The donated inventory balance, and associated revenues and expenses, as of and for the years ended December 31, 2015 and 2014 related to Feeding America, have been adjusted to reflect a rate per pound of \$1.70 and \$1.72, respectively.

Donated food products are recorded as revenue and support when received and recorded as expense when disbursed. Food products purchased are recorded at cost and disbursed at the same purchase price, if distinguishable. Certain purchased products are commingled and packaged with donated products; these items are revalued using the Feeding America rate per pound and disbursed at the Feeding America cost. Inventories are valued at the lower of cost, as determined above, or market.

Unconditional Promise to Give

Unconditional promises to give are recognized when the donor makes a promise to give that, in substance, is unconditional. Conditional promises to give are recognized as revenue when the specified conditions are substantially met and the promises become unconditional. There were no conditional promises to give at December 31, 2015 and 2014.

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discount rate used to determine the present value of the estimated future cash flows was 1.9% in 2015 and 2014.

The Organization presents unconditional promise to give net of an allowance for uncollectibility when deemed necessary. The allowance is based on prior years' experience and management's analysis of specific promises made. During the years ended December 31, 2015 and 2014, the Organization wrote off \$0 in uncollectible promise to give. As of December 31, 2015 and 2014, the Organization considers all unconditional promise to give to be fully collectible; accordingly, no allowance for doubtful accounts has been established.

Property and Equipment

Property and equipment are stated at cost or, if donated, at the approximated fair value at the date of donation. Improvements which materially add to the value of productivity or extend the useful life of assets are capitalized. Expenditures for repairs and maintenance are charged to operations in the year the costs are incurred. Property and equipment are depreciated using the straight-line method over the estimated useful lives of the assets, which range from 3 to 39 years.

Long-lived assets held and used by the Organization are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable. In the event that facts and circumstances indicate that cost of any long-lived assets may be impaired, an evaluation of recoverability would be performed.

Lowcountry Food Bank, Inc.
Notes to Financial Statements

Contributions

Contributions are recognized as revenue when they are received. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Donated Services

Donated services are reported as contributions if the services either: a.) Create or enhance nonfinancial assets, or b.) Require specialized skills, are performed by people with those skills, and would otherwise be purchased. No amounts have been recorded for donated services because the recognition criteria have not been met.

Donated Property and Equipment

The Organization has recorded donated property and equipment as support at the estimated fair value at the date of receipt. Such donations are reported as unrestricted support unless the donor has restricted the donated asset for a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service. When a temporary restriction expires, temporarily restricted net assets are released to unrestricted net assets.

Shared Maintenance Revenue and Expenses

Shared maintenance revenue represents the amount the Organization charges local agencies and churches to recover a portion of the costs associated with food collection and distribution.

The majority of the cost of shared maintenance revenue is related to the value of donated inventory received. Although the expense consists mainly of the value of donated inventory, there are other costs associated with the distribution of the food such as shared maintenance paid to other food banks to obtain the food, transportation of the food, and value-added product purchases.

The cost of food spoilage for the years ended December 31, 2015 and 2014 was approximately \$736,000 and \$450,000, respectively, and is included in food distribution expenses.

Deferred Revenue

Deferred revenue consists of sponsorship and ticket sales received in advance of the events. The revenue is recognized in the period during which the event is held. Deferred revenue totaled \$72,920 and \$55,900 at December 31, 2015 and 2014, respectively.

Functional Allocation of Expenses

The costs of providing the various program and activities have been summarized on a functional basis in the Statements of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on management's estimate of the time spent by the individuals in each functional category as well as each department's allocation of expenses.

Income Tax Status

The Organization is exempt from both federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes in the accompanying financial statements. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been determined by the Internal Revenue Service not to be a private foundation under Section 509(a)(2).

Lowcountry Food Bank, Inc.
Notes to Financial Statements

Management evaluated the Organization's tax positions and concluded that the Organization does not have any significant uncertain tax positions resulting in unrecognized tax obligations or benefits as of December 31, 2015 and 2014.

Subsequent Events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through June 14, 2016, the date the financial statements were available to be issued.

2. Inventories

Inventories consist of the following at December 31, 2015 and 2014:

	<u>2015</u>	<u>2014</u>
Non-USDA commodities	\$ 1,164,755	\$ 963,372
USDA commodities	<u>312,333</u>	<u>393,447</u>
	<u>\$ 1,477,088</u>	<u>\$ 1,356,819</u>

3. Unconditional Promise to Give, net

Unconditional promise to give are comprised of the following at December 31, 2015 and 2014:

	<u>2015</u>	<u>2014</u>
Amounts due in:		
Less than one year	\$ 100,000	\$ 100,000
One to five years	<u>400,000</u>	<u>450,000</u>
	500,000	550,000
Less present value discount	<u>(10,340)</u>	<u>(10,340)</u>

Restrictions on unconditional promises to give represent time restrictions for amounts to be received in future periods and for designated purposes.

Lowcountry Food Bank, Inc.
Notes to Financial Statements

4. Property and Equipment, net

Property and equipment consisted of the following at December 31, 2015 and 2014:

	<u>2015</u>	<u>2014</u>
Building and improvements	\$ 4,359,049	\$ 4,103,977
Land	1,200,000	1,200,000
Warehouse equipment	954,435	901,201
Transportation equipment	1,030,983	726,557
Furniture and office equipment	126,244	105,491
Leasehold improvements	17,800	215,605
Software in progress	<u>71,609</u>	<u>-</u>
	7,760,120	7,252,831
Less accumulated depreciation	<u>(2,095,497)</u>	<u>(1,730,807)</u>
Property and equipment, net	<u>\$ 5,664,623</u>	<u>\$ 5,522,024</u>

Depreciation expense totaled \$390,004 and \$363,857 for the years ended December 31, 2015 and 2014, respectively.

5. Note Payable

The Organization has a promissory note with a financial institution that accrues interest at a rate of 3.15% per annum and requires monthly payments of principal and interest in the amount of \$17,499 with a final balloon payment of \$1,498,060 due on August 28, 2019. The note is secured by a mortgage on the underlying real property.

The following table summarizes future principal payment requirements for the years ending December 31:

<u>Year Ending</u> <u>December 31,</u>	
2016	\$ 147,765
2017	152,602
2018	157,479
2019	<u>1,584,896</u>
	<u>\$ 2,042,742</u>

Lowcountry Food Bank, Inc.
Notes to Financial Statements

6. Temporarily Restricted Net Assets

Temporarily restricted net assets consisted of the following at December 31, 2015 and 2014:

	<u>2015</u>	<u>2014</u>
Acquisition, renovation of facilities and time restrictions	\$ 489,660	\$ 539,660
Feeding programs	<u>567,708</u>	<u>332,601</u>
	<u>\$ 1,057,368</u>	<u>\$ 872,261</u>

Temporarily restricted net assets released from restrictions are as follows for the years ended December 31, 2015 and 2014:

	<u>2015</u>	<u>2014</u>
Acquisition, renovation of facilities and time restrictions	\$ 50,000	\$ 44,700
Feeding programs	<u>1,252,196</u>	<u>1,133,047</u>
	<u>\$ 1,302,196</u>	<u>\$ 1,177,747</u>

7. Related Party Transactions

The Organization is affiliated with Feeding America, a national food bank association. Food obtained through Feeding America and affiliated food banks represents approximately 9% and 6% of the total amount of donated food received during 2015 and 2014, respectively. The Organization paid a membership fee to Feeding America of \$12,516 and \$12,158 for the years ended December 31, 2015 and 2014, respectively, based on food received. At December 31, 2015 and 2014, the Organization had an outstanding payable due to Feeding America in the amount of \$45,022 and \$51,737, respectively.

The President and Chief Executive Officer of the Organization serves on the Board of Directors of the South Carolina Food Bank Association. The Organization receives donated USDA food commodities and administrative grant funds under the Emergency Food Assistance Program from the South Carolina Food Bank Association. The Organization received \$2,301,483 and \$3,035,206 in 2015 and 2014, respectively, from these revenue sources.

At December 31, 2015 and 2014, total unconditional promise to give of \$500,000 and \$550,000, respectively, were due from a member of the Board of Directors.

8. Employee Benefit Plan

The Organization sponsors a defined contribution salary deferral plan covering substantially all employees. Under the plan, the Organization contributes two percent of each eligible employee's salary and also matches up to another two percent for each eligible employee's salary. Contributions to the plan by the Organization for the years ended December 31, 2015 and 2014 were \$58,480 and \$67,348, respectively.

9. Operating Facilities

The Organization leases the Yemassee operating facility as a tenant-at-will, with monthly rental payments of \$1,440.

Lowcountry Food Bank, Inc.
Notes to Financial Statements

In January 2014, the Organization entered into a twelve-month operating lease for the Myrtle Beach facility. The Organization extended the lease through December 31, 2016, requiring monthly payments of \$5,200 and \$5,400 during 2015 and 2016, respectively.

Rent charged to operations was \$79,680 for the years ended December 31, 2015 and 2014.

The Organization subleases office space to tenants-at-will, with monthly rental payments of \$20,020. Effective December 2015, the Organization entered into a lease agreement with a catering company expiring December 31, 2020, with four months of rent abatement and monthly payments of \$4,000 commencing April 1, 2016, subject to 3% escalation per year. The lease provides for a one-time renewal option of five years. Effective April 2016, the Organization entered into a lease agreement with a charter high school expiring March 31, 2021, with monthly payments of \$7,041 commencing April 1, 2016, subject to 1.5% escalation per year after the first two years. Total rental income recognized for the years ended December 31, 2015 and 2014 was \$134,370 and \$155,745, respectively. As of December 31, 2015, the total cost and accumulated depreciation of the facility and improvements which a portion is leased is approximately \$4,359,000 and \$843,000, respectively. Future minimum lease income under these leases is as follows:

2016	\$	92,000
2017		132,000
2018		132,000
2019		132,000
2020		40,000
		<hr/>
	\$	528,000
		<hr/>

10. Concentration of Credit Risk

The Organization maintains its cash deposit accounts at various financial institutions insured by the Federal Deposit Insurance Corporation (FDIC). At times, the Organization may maintain bank account balances in excess of the FDIC insured limit. The Organization has not experienced losses in such deposit accounts and believes it is not exposed to any significant credit risk in this regard.

Independent Auditors' Report On Internal Control Over Financial Reporting And On Compliance And Other Matters Based On An Audit Of Financial Statements Performed In Accordance With *Government Auditing Standards*

Management and the Board of Directors
Lowcountry Food Bank, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Lowcountry Food Bank, Inc. (the "Organization"), which comprise the statement of financial position as of December 31, 2015, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 14, 2016.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report On Compliance For Each Major Federal Program and on Internal Control Over Compliance Required By The Uniform Guidance

Management and the Board of Directors
Lowcountry Food Bank, Inc.

Report on Compliance for Each Major Federal Program

We have audited Lowcountry Food Bank, Inc.'s (the "Organization") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the Organization's major federal programs for the year ended December 31, 2015. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal programs for the year ended December 31, 2015.

Report on Internal Control over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Lowcountry Food Bank, Inc.
Schedule of Expenditures of Federal Awards
Year Ended December 31, 2015

Notes to Schedule of Expenditures of Federal Awards

1. Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of Lowcountry Food Bank, Inc. (the "Organization") under programs of the federal government for the year ended December 31, 2015. The information in this Schedule is presented in accordance with the requirements of *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Organization.

2. Summary of Significant Account Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

The Organization has elected not to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Lowcountry Food Bank, Inc.
Schedule of Findings and Questioned Costs
