### Reception with Chief Best

On March 13th local business leaders and members of the Seattle Police Department command staff came together to rally support for the Seattle Police Foundation. Guests had the opportunity to meet with SPD staff members and officers who have received SPF grants in 2018. Members of the Bike Unit, Community Outreach, and Photo Unit all demonstrated how grant funds were used .

Seattle Police Foundation's newest program, the Silver Shield Donor Circle, was launched at the event. In an open letter to Chief Best, PitchBook COO, Rod Diefendorf said "As the inaugural donor of the Silver Shield Donor Circle, we're hoping to shed light on the positive impact of SPD's community initiatives and the training and resources needed to improve the well-being our community."

You can find more information on the programs that were featured at the event as well as a list of all of the 2018 grants [here](#).

## K9 PROTECTIVE EQUIPMENT

This week the Seattle Police Department K9 Unit was thrilled to outfit their furriest officers with much needed protective equipment. SPD's K9s are often at risk of injuring their paws on broken glass, needles, and other debris while working. Handlers and trainers also see eye injuries during K9 tracks in densely wooded areas from branches and thorns. Thanks to the support of our generous donors, Seattle Police Foundation was able to purchase brand new Doggles and booties for the K9 Unit, ensuring their handlers not longer have to worry about injuries to their partners eyes or feet.
