Why Seattle Rotary?

Professional Networking

A founding principle of Rotary was to meet periodically to enjoy camaraderie and enlarge one's circle of business and professional acquaintances. As the oldest service club in the world, Rotary club members represent a cross-section of the community's owners, executives, managers, political leaders, and professionals – people who make decisions and influence policy.

Service Opportunities

Club members have many opportunities for humanitarian service, both locally and internationally. Service programs address such concerns as health care, hunger, poverty, illiteracy, and the environment. Rotarians experience the fulfillment that comes from giving back to the community.

International Awareness

With more than 32,000 clubs in over 200 countries & geographical areas, Rotarians gain an understanding of humanitarian issues through international service projects and exchange programs. One of Rotary's highest objectives is to build goodwill and peace throughout the world.

Friendship

Rotary was founded on fellowship, an ideal that remains a major attraction of membership today. Club members enjoy the camaraderie with like-minded professionals, and club projects offer additional opportunities to develop enduring friendships. Rotary club members who travel have friendly contacts in almost every city in the world.

Good Citizenship

Weekly Rotary club programs keep members informed about what is taking place in the community, nation, and world and motivated to make a difference.

Ethical Environment

Encouraging high ethical standards in one's profession and respect for all worthy vocations has been a hallmark of Rotary from its earliest days. In their business and professional lives, Rotarians abide by The Four-Way Test:

Of the things we think, say or do:

- 1) Is it the TRUTH?
- 2) Is it FAIR to all concerned?
- 3) Will it BUILD GOODWILL and BETTER FRIENDSHIPS?
- 4) Will it be BENEFICIAL to all concerned?

Leadership

Rotary is an organization of successful professionals. Team building, fundraising, public speaking, planning, organization, and communication are just a sampling of the leadership skills that club members can exercise and enhance. Being a Rotary leader provides further experience in learning how to motivate, inspire, and guide others.

Application Process Outline

New member applications take approximately 4-6 weeks to process. While your application is being reviewed, you are welcome and encouraged to attend Wednesday luncheons as a guest to start getting to know the club.

1. Membership applications are available on our website, www.seattlerotary.org in the “Membership” section, via email, from the Rotary office, and at each weekly meeting.
2. All applicants are required to have a proposer who is a current member of the Rotary club of Seattle. The proposer assists the applicant in filling out the application, then reviews the proposed member’s application for completion and submits all paperwork to the Rotary office.
3. Applications are accepted on a rolling basis. To be reviewed in a given month, applications must be submitted in completion by the first Tuesday of that month.
4. The Rotary office assigns a member of the Classification Committee to review paperwork, interview references, make recommendations and reports at its next monthly meeting. The Classification Committee meets on the 3rd Tuesday of each month.
5. The board approves candidate's membership (unless additional information is needed). Board meeting is normally on the 4th Thursday of each month.
6. The candidate's name is published in next *Totem* newsletter, with seven days for any member comments.
7. After a satisfactory conclusion to this process, the Rotary office sends President's welcome letter and invoice, advising the new member a) schedule a formal Rotary introduction at an upcoming Wednesday luncheon, and b) RSVP for an orientation.

Questions can always be directed to your proposer or the Seattle Rotary office at 206-623-0023
